

Important informations for our customers:

Data transfer via e-mail:

design.grafik@avantorsciences.com

Ritter GmbH works on Apple Macintosh with following programs:

- InDesign up to Version CC
- Illustrator up to Version CC

- Best results are achieved with
Highres PDF-files or
Illustrator data / vector data with embedded fonts and pictures.
- Text must be converted into paths.
- In case of text changes we also need the original data with
open text and all used fonts.
- The design should be created with spot colours
(PANTONE Solid Coated C, HKS K or RAL).
- Photos or pictures have to be in CMYK / spotcolours and
must have a resolution of 300 dpi
